

Open House April 24

Reciprocity Health Fund

We invite you to join us for an open house to learn more about the Reciprocity Health Fund and explore whether it's a fit for your organization.

The open house will begin with a short presentation at 2:00 p.m., where we'll share:

- An overview of the Reciprocity Health Fund
- The types of projects the Fund supports
- Examples from previous grantees

Following the presentation from 2:30–4:00 p.m. you can drop-in to:

- Ask questions about the Fund or eligibility
- Get application tips and guidance
- Talk through your ideas one-on-one with our team

You are welcome to attend the presentation, drop in for part of the afternoon, or stay for both.

We encourage charities and registered non-profits who may be interested in applying — including first-time applicants — to attend.

When: April 24, 2026, 2:00 - 4:00 PM

Where: Community Room, Mariners Centre - 45 Jody Shelley Drive
